Agenda Item	Discussion	Follow up Action	Deadline
	WNYPAC and WNYAIC Collaborative Agenda		
	<u>Items</u>		

Old Business	Facebook Page		
	Update schedule: November –Niagara County, December –Scott.		
	 Speaker confirmation for Wednesday, May 22, 2013 conference firming up- Bev sent in CDC speaker request form, still awaiting confirmation; Sandy has confirmed Gloria Bozeman, still hammering out details; Deb reporting that Fingerlakes Coalition also reached out to State HD for speaker, we will likely utilize that same person for both conferences as dates are consecutive. Program is confirmed; Target date for "Save the Date" flyer is January; will put on website and facebook page. 	Sandy: Program to go to print on card stock; one side agenda, other side Immunization resources	
NYSDOH Update	 Renee Nealey – ACIP Update Webinar hosted by NYSDOH 11/13/12, register online Guidance on Immunization for Hurricane Sandy available on NYSDOH website. 		

Erie: Completed employee flu clinics (~450), and migrant/farm worker clinics (~30) for flu and GIFT Tdap. Trying to secure more GIFT Tdap. Office moving on Friday 11/9/12; new address is 608 William Street; Karen's new phone number 858-2373; Cherie 858-2369. Niagara County- No issues with new VFC/Insured clients policy; trying to secure private insurance contracts for adult immunizations; will be implementing online scheduling system in the future; had POD for Tdap and flu for Niagara County- Still using GIFT Tdap and VFC flu at clinics; have about 50 Tdap left; sent out letters to providers re: new VFC/insured client guidelines, not experiencing change in volume or any other issues as a result of change. SUNY at Buffalo- Continues to vaccinate with Tdap and flu for students, good student response. Passport Health- Increased Tdap administration for private pay clients; review of services and vaccines available; requests for referrals and business partnerships.		,
